

Statement on Immigration

The following statement was adopted by the Executive Presbytery of the Assemblies of God General Council September 20, 2006.

“It is appropriate for the borders of the United States to be secure in order for immigration to conform to the laws of the United States. As people of faith we support comprehensive immigration reform that reflects human dignity, compassion, and justice integral to a 'nation under God.' Apart from issues related to governmental jurisdiction, we believe that the gospel of Jesus Christ compels us to minister to all who live or work within our country.”
